Keys to Success in US History:

1. **BE PRESENT:** Both physically and mentally. It is YOUR responsibility to get work you missed if absent and to turn it in. It is also YOUR responsibility to participate in class. Ask questions, engage in discussions, challenge yourself!
2. **USE YOUR RESOURCES:** Notes, handouts, reminders, etc. can be found either on Google Classroom or Ms. Apgar's website (www.msapgar.weebly.com). Come to office hours if you need extra help!
3. **TURN WORK IN ON TIME:** There is no credit for late homework, and projects/essays will be marked off 10% for every day late.
